About PAWS:

PAWS is a non-profit organization dedicated to saving Philadelphia's homeless, abandoned, and unwanted animals. PAWS is the city's largest no-kill shelter and operates two high-volume, low-cost clinics serving pet owners and rescue organizations that lack access to affordable basic veterinary care. Through its adoption locations, special events, and foster care network, PAWS finds loving homes for thousands of animals each year. PAWS is working to make Philadelphia a place where every healthy and treatable pet is guaranteed a home.

If you wish to make a donation, visit phillypaws.org to view their list of needed items and drop it off right here at Parx on 2/20!

Members from PAWS will be in the main lobby to accept all charitable contributions and to answer any questions you may have about adoption.
